Week of Compassion Offering – February 16 & 23, 2020

Each year in February, congregations across the United States and Canada collect a special offering for Week of Compassion. While many congregations choose to collect their offering during this designated week, the offering truly supports the work of this ministry throughout the whole year! Funds received through the offering allow the Church to respond to disaster when it occurs, enabling Week of Compassion to immediately provide grants for urgent needs like emergency supplies, water and food. Special Offering is a time when congregations come together to lift up and celebrate this important work that we do together.
